The Canadian Chapter of the International Association of Women Judges has chosen a few law schools across Canada to host an event for trans and cis women law students and women judges. This year UVic will be hosting the event on Tuesday February 20, 5:30-7:30pm in room 152. There will be 4 judges, some food and drink, and the opportunity to converse with each of the judges (from a variety of court levels, from Victoria and Vancouver).
