AMICUS ACADEMIC SUPPORT STUDY TO ENHANCE STUDENT LEARNING

The Amicus Program is conducting a research study to gather information to improve the academic support services of the Program. We have already heard from some students and we are hoping to hear as many perspectives as possible!

We are looking for upper year students who accessed tutoring in their first year. If that sounds like you, please consider participating in the study, which would involve doing a 30-60 minute individual interview (scheduled at your convenience). Interviews can be scheduled until late November. For more information about the study or to schedule an interview, email Lindsay at researchstudy.amicus@gmail.com.

YEARBOOK INTEREST SURVEY

The LSS would like to gauge student interest about the potential production of a yearbook at the end of the school year. Please fill out this brief survey to share your thoughts with us: <https://goo.gl/forms/iUY5eP5Kud6u0qDV2>
