## HOT ON THE DOCKET

### SPORTS, DOPING, & THE LAW: AN OLYMPIC PROBLEM

How is a private judicial system created and maintained? Can it truly function autonomously? How does it act within a state-run judicial system and across borders internationally? Come hear Peter Lawless, VP of the Canadian Olympic Committee, talk about how the world of Sport is answering these questions and how this system is being tested by the Doping Crisis of its athletes.

This event will be held in Room 158 from 12:30-1:20pm on Monday, November 26. Fernwood Coffee will be served with chocolate croissants.
