ANNUAL IP TALK WITH JUSTICE PHELAN

The Honourable Justice Michael Phelan of the Federal Court of Canada will be visiting the Faculty of Law to discuss some of the most memorable IP cases from the past year or so.

This is a great networking opportunity for anyone looking to clerk in the future and anyone who will be interviewing for federal clerkship(s): Justice Phelan conducts clerkship interviews himself and usually forwards recommendations to other Federal Court Justices.

The talk will be held on Jan. 31 (Thursday) during lunch in room 157.

Meet Your Candidates

For 2018-2019 LSS Positions

Candidate for LSS Social Coordinator (One Position)

Rigel Tessmann

My name is Rigel and I am a second year student from Saltspring Island, BC. I attended UVic for my undergraduate in History before starting Law. I've been working as a Server on Saltspring and up in Jasper before my first Co-op placement at the Ministry of Finance. So far I have found myself most interested in Criminal Crown law and Property because Howell made parts of that class so funny. Outside of law I swim and practice Karate, which are both very helpful as a change of pace from all of the sitting and studying. I am very interested in the growth of ESports as a concept and video game development, as the rest of my family works in video gaming. When I have spare time I also play guitar (poorly) and the drums (also poorly). If we ever drive anywhere together I love blasting music and singing in the car.

Candidate for LSS 3L Rep (One Position)

Daniel Babcock

Greetings,

My name is Daniel but I'm more often referred to by some version of my last name Babcock. I've planned a thing or two in the past and really want to do this position to contribute to us all having a real nice time at Grad. A little about me... I really like sports, any type of game, and quoting movies. I wasn't like every other kid, you know, who dreams about being an astronaut, I was always more interested in what bark was made out of on a tree. Richard Gere's a real hero of mine. Sting. Sting would be another person who's a hero. The music he's created over the years, I don't really listen to it, but the fact that he's making it, I respect that.
